Sermon Notes

Crossing the Jordan ***Joshua 3***

The Israelites were about to enter the Promised Land, but the raging Jordan River stood in front of them

They needed a reminder that God was powerful and was with them: He would see them through the waters

They had to believe that God could get them across the river

They had to consecrate themselves: dedicating their lives to God

They had to follow God as the Ark of the Covenant went before them

This is a metaphor for our Christian lives as we trust and obey Him for salvation and for Christian living

Now the priests bearing the ark of the covenant of the Lord stood firmly on dry ground in the midst of the Jordan, and all Israel was passing over on dry ground until all the nation finished passing over the Jordan.
